

2022 International

ABFAA

Ben Avery World Archery Range

October 16, 2022

We were a little nervous watching the weather forecast during the previous week. Mother Nature provided a big storm to the valley in between the set up and the tournament itself. When we arrived at the range the weather was beautiful, and it remained that way all day.

The International Round is unique as a cross between a field round and a target round. It provides enjoyment to the archers to shoot a challenging tournament while being able to socialize with our fellow archers.

I want to thank my army of volunteers. While this is a fun round, it is an interesting to set up and arrange all the archers with all the varying distances. My volunteers were Dan Baker, Kristine Krebs, Katie Krebs, Jaime Taylor, Jordyn Taylor, Mark Taylor, Travis Taylor, Tim Liston, Isador Beadnell, Chloe Beadnell, Phil Beadnell, Stephanie Lord, Bud Lord, Larry Butterfield, Brian Glissman, Cole George, Susan Yee, Steve Yee, Nico Baker, Krista Colonna, Grace Reed, Maya Miller, Jack, Arthur. We had a bunch of the archers jump in and help tear down, thank you to all of you too!

Special shout out to Nicole Lord for helping our cub archers and being the safety specialist!
